BEFORE & AFTER

IS THE SOLUTION!

Norwex®
Creating Safe Havens in Every Home

Through our products, we are helping others create healthier homes by reducing the harmful chemicals and waste that challenge our health and the health of our environment.

Effective Solutions for Healthy Homes
From our flagship microfiber to our superior cleaning agents and sustainability solutions, our innovative products provide real solutions that work.

Safe Solutions for Healthy Families
Our safe cleaning and personal care products reduce chemicals such as parabens, phthalates and carcinogens in the home, improving quality of life for generations to come.

Sustainable Solutions for a Healthy World
With products to help reduce waste from everyday things like paper towels and plastic wrap, Norwex allows families everywhere to live more sustainably.
Thanks for the Before & Afters!

We deeply appreciate all of the Norwex Consultants who send in product “before & afters.” It is quite compelling to see the results you’re getting from using Norwex products! The abundance of emails, photos and letters we receive make it difficult to narrow down final content for this booklet, but a special thanks to the following Consultants for sending your photos showing how you’re making an impact and creating Safe Havens with Norwex.

Thanks for being a part of the solution!

OUR MOST POPULAR PRODUCT!
The chemical-free way to clean almost any surface in your home. Great for wiping dirty counters, cabinets and other hard surfaces; cleaning tools, windows and toys; dusting walls and electronic devices—and so much more!
It removes up to 99% of bacteria from a surface with only water when following proper care and use instructions!
Item #s: 1513 pink, 1515 blue, 1512 graphite, 1514 green

This symbol indicates products containing our BacLock® antibacterial agent—micro silver in the wet cloth cleanses within 24 hours to reduce mold, fungi and bacterial odor within the cloth. Norwex cloths and towels stay cleaner and fresher, longer!

All Norwex Microfiber products carry a two-year warranty. Please visit www.norwex.com/product-guarantee for complete details.

BUNDLED SAVINGS!
Together, the EnviroCloth® and Window Cloth are what many call the “dynamic duo.” They quickly and easily tackle most cleaning jobs inside or outside the home.

Use the EnviroCloth wet or dry—it’s ultra-thick and absorbent to pick up and hold more dust, dirt and debris than other cleaning cloths. Follow with the Window Cloth to quickly polish surfaces to a streak-free shine.

Item #: 1505

Did You Know?
Each of these products removes up to 99% of bacteria from a surface with only water when following proper care and use instructions.

Dusting Mitt

ATTRACTS DUST LIKE A MAGNET!
Dense, plush fibers attract and hold dust and keep it from resettling. The Dusting Mitt can be used wet or dry throughout the house, on blinds, screens, fans, vents and other hard-to-clean areas.

No need for expensive waxy solutions that can dull furniture or harsh chemicals that can harm your family’s health!

Item #s: 1516 blue, 1517 green

Did You Know?
Household dust can often contain chemicals ranging from phthalates to pesticides, along with countless other pollutants tracked in from outdoors.

Dishwashing Liquid

ULTRA-CONCENTRATED, BIODEGRADABLE!
Natural, sudsing formula removes grease and gently gets dishes spotless, even in hard water. Clementine essential oil provides a refreshing, crisp aroma. Suitable for septic tanks. Free from phosphates, phthalates, SLS, SLES and dyes.

Item #: 1014

Did You Know?
Phosphates that enter waterways from dish and laundry products can create “dead zones” in streams, lakes and rivers.

Broiler Pan

(set of 2)
Sink Mats

A LANDING PAD FOR WET MESSES!
This set of three small, medium and large microfiber-and-foam mats conveniently absorbs drips and spills from wet glasses, bottles, jars—you name it.

They’re like a landing pad for wet, sloppy messes in the kitchen, laundry room or bathroom! Silicone dots on the bottoms reduce slippage.

Item #: 307310 (set of 3)

Did You Know?
A Sink Mat placed under Fido’s pet food bowl or a messy laundry detergent bottle keeps surfaces cleaner, longer.
**Dish Cloths**

**RINSES CLEAN AND DRIES QUICKLY!**

This two-pack of netted, nonabsorbent cloths easily cleans anything from plates and bowls to pots and pans. Quickly removes flour, dough and other sticky substances from countertops after baking, and perfect for cleaning anywhere you need scrubbing action without a lot of water.

Item #s: 307008 graphite (pack of 2)  
307006 blue (pack of 2)
Cleaning Paste

LIKE ELBOW GREASE IN A JAR!
Use with a damp EnviroCloth® to clean just about anything. Removes scuff marks, permanent marker, burned-on gunk from bakeware, and grime from kitchen sinks, stovetops, bathrooms and more.

Great for cleaning, polishing and protecting chrome, stainless steel* and porcelain. Long-lasting and safe for coffeepots*, glasses and most food-ware products. Perfect for outdoor equipment too, including lawn furniture, campers, boats and more!

*Not for use on brushed stainless steel.

Item #: 403500

Did You Know?
The Cleaning Paste comes as a solid; just add water to form a paste. Lather well for a more gentle scrubbing action.

Spirinetts

HARD-WORKING HELPERS IN THE KITCHEN AND BEYOND!
Extremely durable and long-lasting stainless steel scrubbers remove anything from dried, burnt- and baked-on food on pots, pans, ovens and grills, to algae on fish tanks, watermarks on glass and ceramic tiles, and rust and lime buildup on showers and faucets.
Use caution, may scratch some surfaces.
Item #: 354100 (pack of 2)

Did You Know?
Spirinetts and the Mighty Mesh Pot Scrubber work well with Cleaning Paste to remove baked-on, burned-on, dried-on residue from pots, pans and more.

Popcorn Machine

BEFORE

AFTER

HARDENED GREASE
Mighty Mesh Pot Scrubber

POTS AND PANS SHINE LIKE NEW!
Save your nails! Made from the same heavy-duty, rust-free stainless steel as our Spirinetts, but with an easy-grip handle to make cleaning a breeze!

*Use caution, may scratch some surfaces.*

Item #: 354103

Did You Know?
Stainless steel is 100% recyclable and can be used to remove unpleasant odors like garlic or onions. Just hold your hands under cold running water while rubbing the stainless steel for 10 seconds.

Baking Sheet
Micro Cleaning Hand Pads

**ERASES STAINS LIKE MAGIC!**

Sold as a set of two, these slightly abrasive sponges can be torn to fit the size you need and work with very little pressure. Dampen slightly to erase crayon, scuff marks, soap scum, ground-in dirt and more. Cleans up plastic furniture, tile and most kitchen and bathroom surfaces.

Item #: 357110 (pack of 2)

---

**Did You Know?**

Great for small, awkward areas! Just tear off a piece of the pad and scrub until the ingrained soil is gone.

---

**Marks on Walls**

**BEFORE**

**AFTER**

SO LONG SCUFF MARKS
SCRUBS, ABSORBS AND WHISKS AWAY MESSES!
Dual-sided, multipurpose sponge combines inner foam with highly absorbent EnviroCloth® microfiber to tackle spills and soppy messes. The scrubby side loosens gooey grime and tough baked-on spills, and the soft microfiber side whisks away residue.

Item #: 354105 (pack of 2)

Did You Know?
The EnviroCloth microfiber side has the ability to remove up to 99% of bacteria from a surface with only water when following the proper care and use instructions.
Oven & Grill Cleaner

**NO CAUSTIC FUMES!**
Enzymes and microbes quickly and safely dissolve baked-on food and stubborn, greasy spills without harsh chemicals or fumes.

Great for gas and electric ovens and grills as well as pots, pans and bakeware, too. Works well on the grimiest surfaces.

Item #: 403426

**Did You Know?**
Most oven cleaners contain lye (either sodium hydroxide or potassium hydroxide), a toxic chemical that can burn skin and eyes.

How Can I Help Families Create Cleaner, Greener, Safer Homes?

We’re Not Just a Company, We’re a Promise for a Brighter Future

Join our community of like-minded individuals striving to create a brighter future for everyone, for generations to come!
Our Core Values

**Integrity**
To conduct our business with integrity means we uphold our moral principals and remain honest and transparent in all areas of practice, from our product standards to our business relationships.

**Trust**
Trust is the belief that one can rely upon another’s actions and words. Through a foundation of trust, we empower our community of employees, Consultants and Leaders to work openly and creatively.

**Respect**
To respect someone is to think highly of them and to admire them for their qualities. By respecting others, Norwex brings people together from all walks of life creating a supportive, inspiring and empowering community.
Our **Movement**

The Norwex Movement is our Mission in motion. Through it, people from all over the globe are coming together to reduce chemicals and create a more sustainable environment for our families and our planet. By educating others to make small, conscious choices, collectively we can improve our own health and the health of the planet—and leave a lasting legacy for generations to come.

Our Charitable Heart

We understand that improving quality of life is about investing in our communities. Whether we’re donating time, money or goods, our charitable efforts are an integral part of who we are as Employees, Consultants and Customers. From feeding the hungry to building safer playgrounds and providing medical care for families in need, the Norwex Foundation for a Brighter Future is making an impact in local communities across the globe.

www.NorwexFoundation.org
Norwex Mission

Improving quality of life by radically reducing chemicals in our homes.
